

THIS IS SPECIAL "CATCH-UP" ADDITION TO OUR IOWA CLUB NEWSLETTER

It will include several items I found in my email box, in no particular order.

So here goes.

FROM OUR WEBMASTER, Kathy Allen:

To all Members –

Like the memories found in old newsletters?

Don't have them saved?

Many are available on our websites, but...

Each club/unit is provided limited storage space.

When full, your webmaster may need to delete older items like newsletters and photos.

For example, the Iowa club space is full and older items will need to be removed to add current newsletters.

<https://iowa.airstreamclub.net/news/>

Want to save some of your memories?--

Now is the time to download any older newsletters to your computer or external hard drive.

Click on the issue's website link, and then check your computer's download folder for the file.

AIRSTREAM FOR SALE

1964 Tradewind

\$35,000

Lawrence, Kansas

This restored and newly polished 1964 24-ft Tradewind/Landyacht, with brand new Zip Dee awning, is for sale at \$35,000. This model is the last year that the coveted door-within-a-door was made. It has a rear bathroom, twin beds in the middle, and two high-quality leather recliners in the front. (We have the original gaucho bed, in excellent condition, which we can easily re-install.) This Airstream weighs only 3600 lbs., with a 430 lb. hitch weight, which means that it can be towed with most mid-sized SUVs. We retained most of the original design while replacing all the mechanicals and refurbishing the interior.

Upgrades include new plumbing, grounded outlets, new black, gray, and fresh water tanks, sub-floor replacement front and rear, new flooring, new toilet, new furnace, new water pump, new hot water heater, two Fantastic Fans, new oven, new cook-top

and range hood, new countertops, refurbished refrigerator, new sink, new faucets, refinished original cabinets, new folding door, new interior paint, new upholstery, new interior lighting, new Zip Dee patio awning, window awnings, rear view camera, Centramatic Automatic Wheel Balancers, new tires, new rims, new brakes, new axle and lift, Quick-bite Trailer Hitch, Progressive Dynamics Co inverter/Charger, Dometic Penguin II Air Conditioner, LED lighting, Anderson Sway and Weight Distribution system, 7 pin connector, and new 30-amp pig tail

We are also selling our tow vehicle, a 2013 Nissan Pathfinder, (110,000 miles) for \$12,000.

If interested, call Tim at (785) 691-7112 or email him at ttbikes@aol.com

This email also included 10 pictures of the Airstream and the upgrades. I could not get the pictures to copy here. They are worth looking at.

Reminder about the Region 8 Rally. Final Registration Form was included in the Jan. 30 Newsletter
